## Volunteer Application

*Beartooth Humane Alliance encourages the participation of volunteers who support our purpose:*

- ◆ *Sheltering abandoned and unwanted animals*
- ◆ *Adopting animals into loving and responsible homes*
- ◆ *Educating the public about responsible pet guardianship*
- ◆ *Preventing the birth of unwanted animals*
- ◆ *Preventing the cruelty, abuse and neglect of animals*

*Please note that at times, BHA will be presented with animals that are vicious or behaviorally unsound such that we could not responsibly place them in homes or that have a severe medical condition causing them to suffer. We believe the most humane course of action is to euthanize such animals, and we will do so with the utmost concern for their comfort.*
